Over 80% of every dollar raised goes directly to supporting the Big Brothers Big Sisters program in DeKalb County; the remainder covers overall program administration. Think about a child who has wished for a Big Brother or Big Sister, someone to have fun with and confide in, someone to be a mentor, a guide or a friend. Now... think of how your support could make a difference in that child's life.

Family Service Agency of DeKalb County is a premier social service agency, providing support to individuals and families throughout the lifecycle. Family Service Agency is comprised of five distinct departments – Big Brothers Big Sisters, Center for Counseling, Child Life & Family Education, Children's Advocacy Center and Senior Services Center. A host of programs are available through these departments, and all services are provided by experienced professionals.
